

IMAGINE • INNOVATE • INDULGE  
ETENIA™ makes it possible

AVEBE is proud to introduce the ETENIA™ product range to the global health and wellness market. Based on new and truly innovative technology ETENIA™ has been devised to offer hydrocolloid like functionality with distinct benefits in creaminess, thickening, gelling and processability across a diverse range of market segments, including dairy, emulsified systems and savoury products.

**Health & Wellness**

**Premium & Indulgent**

**Natural & Safe**

**Versatile & Convenient**

*ETENIA™: Formulate your products to meet the latest consumer driven textural and functional needs.*

creaminess • low fat • clean label • natural • vegetable derived • new textures • ease of processing • thermoreversible gelling • guilt free indulgence • clean flavour • melt in the mouth

**AVEBE FOOD**
