

IMAGINE • INNOVATE • INDULGE

ETENIA™ in dairy

ETENIA™, a revolutionary innovation from AVEBE, makes it possible to formulate creamy and indulgent dairy products. ETENIA™ provides excellent creaminess and gives a melt in the mouth sensation similar to fat. Derived from nature ETENIA™

Creaminess will enable product developers to create low fat, innovative, clean yoghurts and dairy desserts that offer consumers guilt free indulgence.

Melt in the mouth

Yoghurts *ETENIA™: Indulge in the solution for creaminess and melt in the mouth and meet the latest consumer demands!*

Dairy desserts

health & wellness • premium & indulgent • natural & safe • versatile & convenient
